1 , \$218.88

## 218.88 Institutional payrolls.

At the close of each pay period, the superintendent or business manager of each institution shall prepare and forward to the director of human services a semimonthly payroll which shall show the name of each officer and employee, the semimonthly pay, time paid for, the amount of pay, and any deductions. A substitute shall not be permitted to receive compensation in the name of the employee for whom the substitute is acting.
